Al-Jaami'ah Masjid

Extensions Fund Profile 2016 Stegman Road, Claremont

"Whoever shares in building a masjid for Allah, even if it is as small as a bird's nest, Allah (S.W.T.) will build for him a house in Paradise."

Musaltees of Al-Jaami'ah Masjid and the broader Muslim community

Fundraising appeal for extensions to Al-Jaami'ah Masjid

The Al-Jaami'ah Masjid executive committee has started a project to upgrade the wudu facilities and create separate entrances for male and female musaltees to ensure complete separation of the sexes.

The side entrance in the parking lot will be used exclusively by females to enter and exit the masjid, while a separate entrance and exit will be created for males.

Message from Muhammad Nazeem Jamie Chairperson of the Executive Committee

The current executive committee was appointed in November 2015. It has been an honour to be appointed as the chairperson and to be surrounded by a highly committed executive team who have passionately driven the vision of reviving Al-Jaami'ah Masjid as the centre of the Muslim community.

Despite a challenging year, we have forged ahead with several new initiatives and activities at the masjid, including a successful I'tikaaf programme during the month of Ramadaan. This programme was held in conjunction with the Darun Naim Sat/Sun Intensive and marked the start of our mission to bring new life to Al-Jaami'ah. We have identified the need for genuine and constructive change. Our primary focus is thus to do things differently by actively fulfilling our responsibility, and we intend to build the future of this masjid on volunteerism.

Our most ambitious initiative is the infrastructure project we have embarked on, together with the associated planning, consulting, fundraising and implementation challenges that will become the focus of our attention over the next two years. In this regard, we appeal to all our musaltees and the broader community to financially contribute to this project and, in this way, plant a seed for their aakhirah.

I have to mention that this process has been diligently driven by a dedicated team of executive members who have supported me. We believe this project is in the interest of the community we serve.

We also gratefully acknowledge the contributions made by our imam, under the current Shura leadership of MI Muhammad Carr (Amir) and Sheikh Ismail Londt.

The executive is looking forward to meeting the challenges of the future.

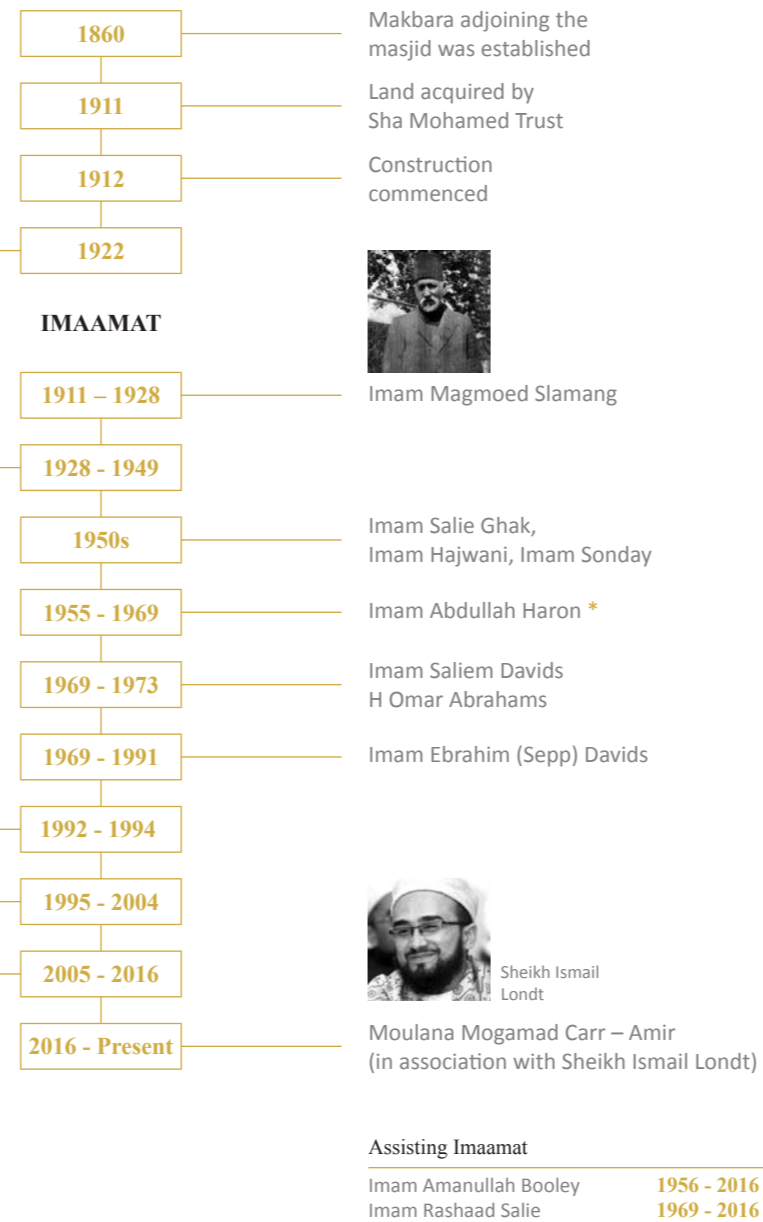

Muhammad Nazeem Jamie,
Executive Committee Chairperson
